

Blossom Ireland

For a Life Like Any Other

How Your Team Can Support

Employer Training

We're delighted to offer bespoke webinars or in-person trainings for your team! We'll discuss some of the myths surrounding intellectual disabilities and work with your team to develop a more communicative and equitable workplace.

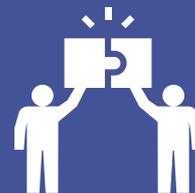

Corporate Donation

We rely on the support of our generous community of donors as we continue providing lifechanging supports to young people with intellectual disabilities across Ireland. Make a donation to ensure we can continue growing our network!

Payroll Giving

Payroll Giving is a fast-growing initiative around the world. By asking your employer to donate a portion of your monthly wages (often one hour's worth), you deliver consistent support that we can rely on. Plus, many companies match these contributions!

Workplace Fundraising

Get your team engaged & organise a fun-filled, impactful event. Whether it's a coffee morning, bake sale or raffle, fundraising is a great way to inspire your team. We'll provide materials, Blossom swag & speakers to support your event!

Cause-Related Marketing

Show your customers you're making an impact by organising a charity partnership! Through this initiative, we can support you in elevating your brand's reputation while you help us promote our cause through marketing & sales.

Charity of the Year

Blossom Ireland has years of experience in managing purposeful, impactful partnerships with corporate partners. Get in touch to learn more about how we can change lives together through a year or multi-year partnership.

In return for your support, Blossom Ireland can offer:

Brand Alignment

- Partnership promo on social media
- Logo displayed on our website
- Full-page blog post on partnership
- Bespoke email signature

Impact Measurement

- Quarterly impact updates
- Ad-hoc partnership support

Staff Engagement

- In-office/virtual speakers
- Certificates for your team
- Free Blossom swag
- Team trainings
